

Reef Fish Advisory Panel: Scope of work

Agenda item IV: Discussion Fall 2019 Reef Fish AP Meeting

AP input and next steps: Staff will discuss scheduling and objectives for an in-person Reef Fish AP meeting in the fall. At this fall meeting, the AP would elect a new Chair and Vice-Chair, and discuss the latest red grouper stock assessment (SEDAR 61). The AP will be polled for availability in the near future.

Agenda item V: Presentation: Draft Framework Action: Modification of the Gulf Greater Amberjack Commercial Trip Limit

AP input and next steps: Staff will review the Council's discussion from the April 2019 meeting regarding this draft framework action. Forecasting analyses for all options under consideration will be presented for the AP's review. The AP will provide input on the draft framework action for Council consideration.
