

Mackerel Committee

Agenda Item IV: CMP Amendment 31 – Atlantic Cobia Management

Documents: Public Hearing Draft (**Tab C, No. 4**)

Timeline Status: Discussion

Council Input and Next Steps:

- Review the amendment with the action and alternatives presented to the South Atlantic Council at their March 2018 meeting. Provide feedback to the South Atlantic Council in preparation for their intent of taking final action at their June 2018 meeting. The Gulf Council will review the document again for final approval at its June 2018 meeting in Key West, FL.
