

Joint Coral and Habitat Protection & Restoration Committees: Action Guide and Next Steps for Tab N

Agenda Item IV: Review of the Revised Public Hearing Draft of Coral Amendment 9

Timeline Status: Public Hearing Draft

Council Input and Next Steps: The Committee will be presented with the public hearing draft of Coral Amendment 9 that has been updated to include more analyses since it is now an environment impact statement (EIS). The Committee will also be presented with the January 2018 SSC recommendations, LETC recommendations, and Shrimp AP recommendations. The Committee is requested to make any changes it deems necessary. The Committee should make motions if it wants to change its preferred alternatives or make changes to the document public hearings. Public hearings have been scheduled for the following locations:

Brownsville, TX
Palacios, TX
Clear Lake, TX
Grand Isle, LA
D'Iberville/Biloxi area, MS
Mobile, AL
Madeira Beach, FL
Key West, FL
