

### Sustainable Fisheries Committee: Action Guide and Next Steps for Tab E

---

**Agenda Item IV:** Modernizing Recreational Fisheries Management Act of 2018

**Timeline Status:** Presentation

**Council input and next steps:** Ms. Stephanie Hunt of the National Marine Fisheries Service will present the Modernizing Recreational Fisheries Management Act of 2018. The Committee may ask questions and determine next steps, as necessary.

---

**Agenda Item V:** Committee Discussion on Allocation Issues

**Timeline Status:** Discussion

**Council input and next steps:** The Committee is expected to initiate a discussion on allocation-related issues in the Gulf of Mexico. The presentation on the Modern Recreational Fisheries Management Act of 2018 (Agenda item IV) may serve as a starting point for Committee discussions. The Committee will determine next steps, as necessary.

---

**Agenda Item VI:** Generic Amendment – Carryover of Unharvested Quota

**Timeline Status:** Final Action

**Council Input and Next Steps:** The Committee will review the document including the preferred alternatives and accompanying analyses, SSC's review and recommendations regarding the updated carryover analyses for red snapper, king mackerel, and greater amberjack. The Committee will also review the codified text and public comments received. If the management actions are deemed necessary and appropriate, the Committee will recommend the Council certify them as such, and that the amendment be transmitted to the Secretary of Commerce for implementation.

---

**Agenda Item VII:** Two-Day Possession Limit on Federal For-Hire Trips

**Timeline Status:** Discussion

**Council Input and Next Steps:** The Committee will discuss stakeholder concerns surrounding a discrepancy between the codified regulations for multi-day trip possession limits, and charter operator understanding of the regulations and historical fishing practices. The Committee should provide direction to staff for the next steps.
