

Dear SPGM Permit Holder:

Return this checklist along with either your SWAPPED SD card or the UNUSED SD card in the pre-paid envelope.

Please fill out the situation(s) that best explain why your SD card has been returned UNUSED, or if your cELB unit needs troubleshooting or new accessories. We want to hear from you!!

Feel free to contact Rebecca Smith, [rebecca.smith@noaa.gov](mailto:rebecca.smith@noaa.gov). If you have any questions, I am happy to help.
