

**NOTE: FWC is still working on the reporting requirements and will be deciding that collaboratively between separate Divisions within the agency, but this is generally what we are thinking**

Required reporting information:

- Customer demographics
- Date of Harvest
- Total Length of Goliath
- Catch Location

Optional reporting information:

- Water Depth
- Weight of goliath
- Catch Location
- Habitat (bridge, dock, jetties, pier, mangroves, etc.)
- Submit a photo?
