

**Shrimp Committee
Action Guide and Next Steps for Tab D**

Agenda Item IV: Update on Early Adopter Program for Shrimp cVMS

Timeline Status: Information and Feedback

Council input and next steps: The Committee will receive information on the progress of the Early Adopter Program for a cellular vessel monitoring system (cVMS) with the Gulf of Mexico (Gulf) federal shrimp fleet. The Committee should ask questions and provide feedback to NMFS on the Early Adopter Program, noting as well its relevance to the draft shrimp framework action.

Agenda Item V: Shrimp Futures Project: Workshops to Address Current Challenges and Future Scenario Planning

Timeline Status: Information and Feedback

Council Input and Next Steps: The Committee will be presented with information on NMFS' plans for workshops with the Gulf shrimp industry. These workshops are intended to assist NMFS in addressing current challenges faced by the Gulf shrimp industry as well as in developing plans for various future scenarios. The Committee should ask questions and provide feedback to NMFS on the planned workshops.

Agenda Item VI: Other Business

Timeline Status: Additional items that can be brought up for discussion

Council Input and Next Steps: Additional items may be brought up for discussion by Committee members during the adoption of the agenda, time permitting. If the Committee wishes to pursue action, then action can be scheduled at a future Council meeting.
