ACTION: Final rule

SUMMARY: NMFS revises the list of authorized fisheries and fishing gear used in those fisheries (LOF) contained in 50 CFR 600.725(v). Effective December 1, 1999, no person or vessel may employ fishing gear or participate in a fishery in the exclusive economic zone (EEZ) not included in this LOF without giving 90 days' advance notice to the appropriate Fishery Management Council (Council) or, with respect to Atlantic highly migratory species (HMS), the Secretary of Commerce (Secretary).

DATES: Effective December 1, 1999.

ADDRESSES: Copies of the regulatory impact review for the final rule for this action can be obtained from Dr. Gary C. SUPPLEMENTARY INFORMATION:

Background

Section 305(a) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1855(a)) requires the Secretary to publish in the **Federal Register**, after notice and an opportunity for public comment, a list of authorized fisheries under the authority of each Council and all fishing gear used in such fisheries in the EEZ, as well as the fisheries and fishing gear used in those fisheries under the authority of the Secretary of Commerce (Secretary) with respect to HMS. A fish, regardless of whether targeted, may be retained only if it is taken within a listed fishery, is taken with a gear authorized for that fishery, and is taken in conformance with all other applicable regulations. This LOF is based on information submitted by the Councils and by the Director, Office of Sustainable Fisheries, NMFS (Director), in the case of HMS, and upon public comments received.

On June 4, 1998, NMFS published a proposed LOF and invited public comment thereon (63 FR 30455). On

January 27, 1999, NMFS by final rule published the LOF (64 FR 4030). On July 28, 1999, NMFS delayed the effectiveness of the LOF and invited additional public comments (64 FR 40781). This final rule revises the LOF and makes it effective on December 1, 1999.

Dated: November 26, 1999.

Penelope D. Dalton,

*Assistant Administrator for Fisheries,
National Marine Fisheries Service.*

For the reasons set out in the preamble, 50 CFR chapter VI is amended as follows:

50 CFR Chapter VI

**PART 600—MAGNUSON-STEVENS
ACT PROVISIONS**

3. In § 600.725, paragraph (v) is revised to read as follows:

§ 600.725 General prohibitions.

* * * * *

(v) The use of any gear or participation in a fishery not on the following list of authorized fisheries and gear is prohibited after December 1, 1999. A fish, regardless whether targeted, may be retained only if it is taken within a listed fishery, is taken with a gear authorized for that fishery, and is taken in conformance with all other applicable regulations. Listed gear can only be used in a manner that is

consistent with existing laws and regulations. The list of fisheries and authorized gear does not, in any way, alter or supersede any definitions or regulations contained elsewhere in this chapter. A person or vessel is prohibited from engaging in fishing or employing fishing gear when such fishing gear is prohibited or restricted by regulation under an FMP or other applicable law. However, after December 1, 1999, an individual fisherman may notify the appropriate

Council, or the Director, in the case of Atlantic highly migratory species, of the intent to use a gear or participate in a fishery not already on the list. Ninety days after such notification, the individual may use the gear or participate in that fishery unless regulatory action is taken to prohibit the use of the gear or participate in the fishery (e.g., through emergency or interim regulations). The list of authorized fisheries and gear is as follows:
