Does the Council want to consider a Visioning/Strategic Planning Exercise in 2020?

What is a Strategic Plan?

A plan to guide an organization towards a clearly stated set of goals.

- Where are we going?
- Where are we currently?
- How will we get there?
- How will we know if we've succeeded?

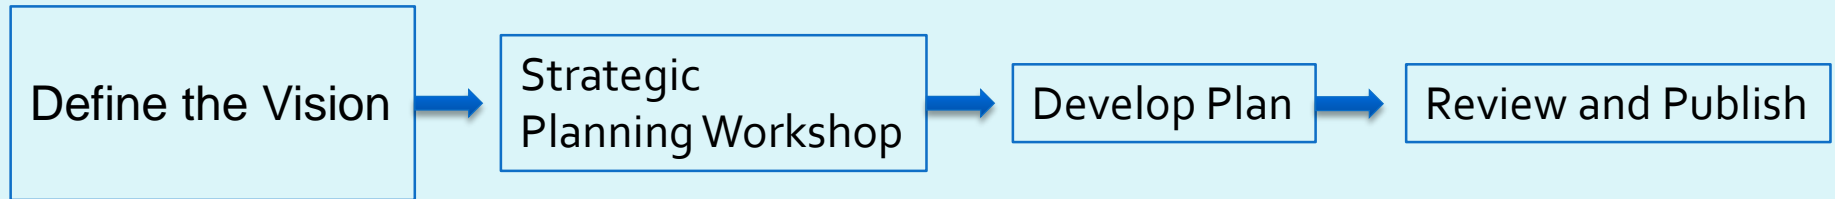

Why Have a Strategic Plan?

- Establish priorities and future direction
- Allocate resources (time/effort) effectively
- Plan for environmental uncertainty and/or change
- Decision support tool for the Council
 - Transparency for stakeholders regarding Council choices
 - Accountability in use of resources

What Could this Project Look Like?

Who can be Involved?

- Internal - Council members
- Hybrid - Council and direct stakeholders (SSC & AP Members)
- Public – Council, direct Stakeholders, general public

What Have Other Councils Done?
