

Outreach and Education Committee: Action Schedule for Tab O

Agenda Item III: Summary of the Outreach and Education Technical Committee Meeting.

Background:

Last year, the Outreach and Education Advisory Panel was restructured and it is now an Outreach and Education Technical Committee with communications personnel from state agencies, Sea Grant agents, plus an ENGO, and media representative. The meeting was held to gather information on outreach efforts across the Gulf that target the following issues: Proper Fish Measurement, Barotrauma, Lionfish, Angler-Reported Data Collection.

Council Input and Next Steps:

- Review the two motions offered by the Committee.
