

**Habitat Protect/Restoration Committee  
Action Guide and Next Steps for Tab P**

---

**Agenda Item IV:** Manna Fish Farms, Gulf of Mexico Finfish Aquaculture Operations

**Timeline Status:** Presentation and Discussion

**Council input and next steps:** Manna Fish Farms is working on submitting a permit to USACE in late June for Finfish aquaculture facilities in the Gulf of Mexico. Dr. Lucas will be providing an informative presentation. Council members can ask questions and make recommendations.
