

Ecosystem Committee: Action Guide and Next Steps for Tab N

Agenda Item IV: Draft Roadmap of Ecosystem-Based Fisheries Management Regional Plan for the Gulf of Mexico

Timeline Status: Information

Council Input and Next Steps: NMFS staff will present the NMFS regional roadmap for EBFM. The Committee does not need to take action, but may provide comments on the roadmap. The Committee is specifically requested with providing guidance on priority questions that it would like addressed. Staff will provide the Committee with an outline of a fisheries ecosystem document at the August Council meeting which may take into consideration information outlined in the roadmap.
