16. Have you received transferred allocation **FROM** another IFQ account?

☐ Yes → Go to Q17

☐ No → Skip to Q19

17. If you **received (e.g., leased, gifted) transferred GT-IFQ allocation FROM another IFQ account**, how important were the following reasons for doing so? Please check the appropriate box for each statement.

Reasons for RECEIVING TRANSFERRED GT-IFQ allocation <u>FROM</u> another IFQ account	Not Important	Somewhat Important	Very Important
I did not have the financial resources at the time to purchase IFQ shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I only need (additional) allocation for a relatively short period of time (e.g., a single fishing year).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I want to be able to retain grouper-tilefish species which I would have otherwise discarded.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Over the long run, I believe that buying allocation on an annual basis will be less expensive than purchasing an equivalent amount of shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Purchasing annual allocation provides greater flexibility than owning IFQ shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I consider the buying of additional IFQ shares as too risky due to uncertainty in:			
(a) future ex-vessel prices	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(b) future commercial quotas due to changes in stock assessments or modifications to the commercial/recreational allocation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(c) future harvesting costs	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(d) the duration of the GT-IFQ Program	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(e) other (please specify): _____ _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I bought allocation to sell or give to other fishermen.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other (please explain): _____ _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

18. Please indicate the TRANSFER arrangement between you and the IFQ account seller.

(please check all that apply)

- ☐ I RECEIVED allocation with no other arrangements/restrictions being placed on the allocation that I received **FROM** the IFQ account seller.
- ☐ I RECEIVED allocation with an arrangement that I sell my catch to a specified dealer.
- ☐ I RECEIVED allocation with other arrangements. Please explain these arrangements:

[illegible]

19. Have you transferred allocation **TO** another IFQ account?

☐ Yes → Go to Q20

☐ No → Skip to Q22

20. If you **transferred (e.g., leased, gifted) GT-IFQ allocation TO another IFQ Account**, how important were the following reasons for doing so? Please check the appropriate box for each statement.

Reasons for TRANSFERRING GT-IFQ allocation <u>TO</u> another IFQ account	Not Important	Somewhat Important	Very Important
I received a higher return from TRANSFERRING allocation than from fishing it.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Reduced financial uncertainty.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Illness or health issues prevented me from fishing.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Vessel repairs prevented me from fishing.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
My allocation from shares is too small to be worth harvesting.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The vessel fishing capacity availability that I have is insufficient to allow for the harvest of my allocation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The amount of labor (captain and crew) that I have is insufficient to allow for the harvest of my allocation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I TRANSFERRED allocation as barter for red snapper or other species IFQ allocation/shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I no longer have a Gulf of Mexico reef fish permit.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I transferred allocation to my other IFQ account(s).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other (please explain): _____ _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

(please check all that apply)

- [illegible]

22. Have you **purchased GT-IFO shares**?

☐ Yes → Go to Q23

☐ No → Skip to Q24

23. If you **purchased GT-IFO shares**, how important were the following reasons for doing so? Please check the appropriate box for each statement.

Reasons for <u>PURCHASING</u> GT-IFO shares	Not Important	Somewhat Important	Very Important
The asking price for the purchased shares was reasonable compared to the financial return I anticipated from fishing the additional shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The asking price for the purchased shares was reasonable compared to what I anticipate I will be able to sell the shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The asking price for the purchased shares was reasonable relative to the return I anticipated from selling the related annual allocation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I believed that the additional shares would allow me to fish at a more efficient level.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I needed additional shares because I wanted to retain the grouper-tilefish I land as bycatch.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I anticipated that Total Allowable Catch (TAC) will increase after the next stock assessment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other (please explain): _____ _____ _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

24. Have you **sold GT-IFQ shares**?

☐ Yes → Go to Q25

☐ No → Skip to Q26

25. If you **sold GT-IFQ shares**, how important were the following reasons for doing so? Please check the appropriate box for each statement.

Reasons for <u>SELLING</u> GT-IFQ shares	Not Important	Somewhat Important	Very Important
The selling price was high relative to the expected financial returns I anticipated from fishing the shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The selling price was higher than what I anticipated receiving for the shares in the future.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I had more shares than necessary for an efficient level of production.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I anticipated that the value of my shares would decrease after the next stock assessment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I felt uncertain about the duration of the GT-IFQ Program.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I wanted to leave the fishery.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I TRANSFERRED shares as barter for red snapper or other species IFQ allocation/shares.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other (please explain): _____ _____ _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

± \$ _____
