

# Notes on Landings Data

Tab C, No. 4

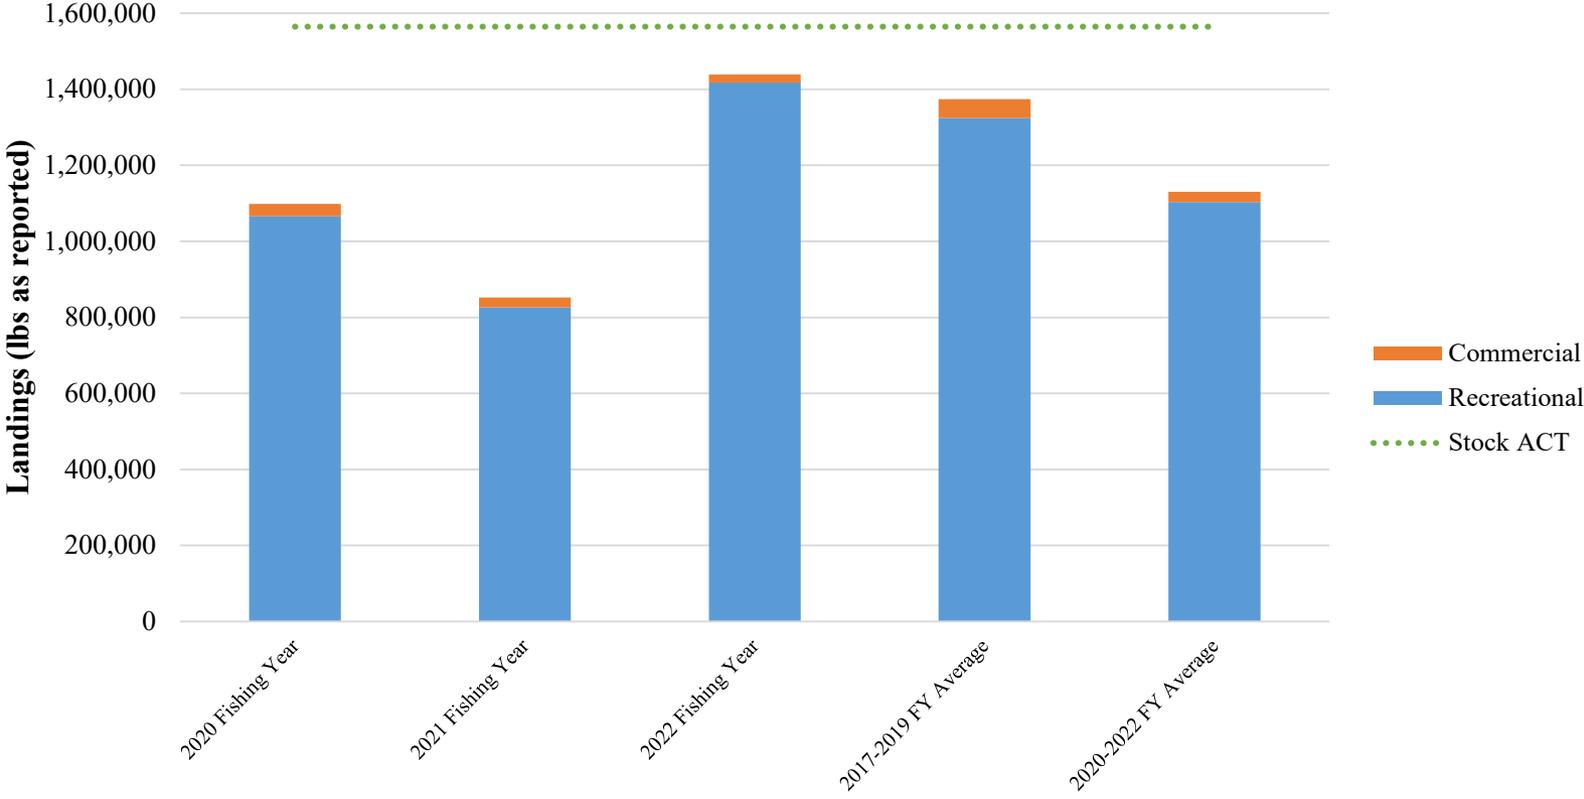

- All 2023 landings are preliminary.
- Recreational 2023 landings include MRIP, LA Creel, and SRHS headboat landings through June 30 (Wave 3) and Texas through high-use season (May 15-November 20, 2022).
- Commercial landings are available through August 31, 2023.
- For commercial king mackerel, monthly landings from all four zones were combined. A July start to the fishing year is shown, but the Northern zone starts October 1.
- Recreational portions of the ACLs for cobia and king mackerel are based on recommended catch limits in MRIP-FES units. Spanish mackerel catch limits are still in MRIP-CHTS units.

# Cobia Gulf Zone Stock Landings

COBIA
