

# Eighth District Enforcement Update

---

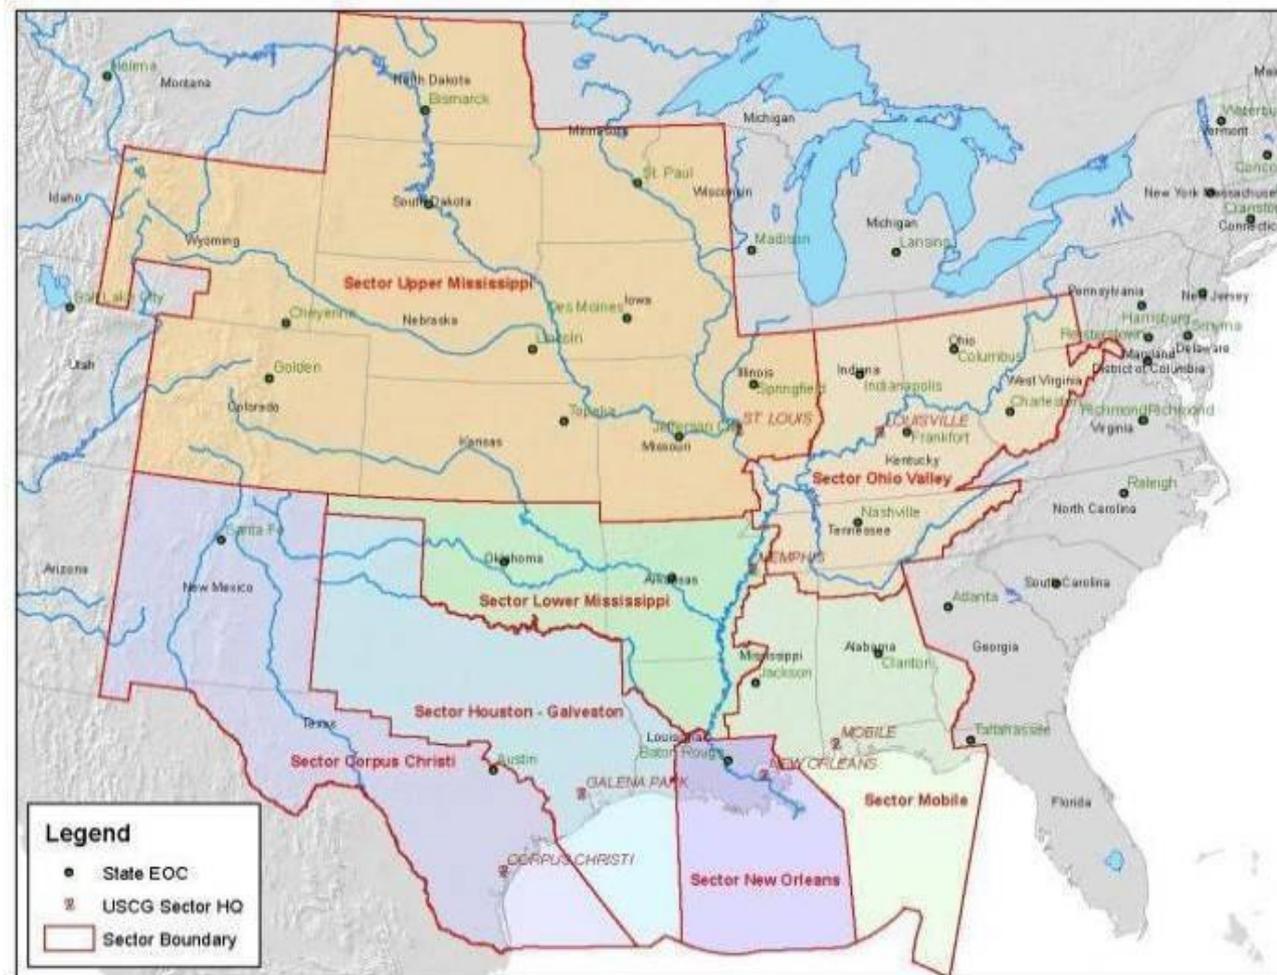

Tab R, No. 4

LT Carl Fuhs  
Living Marine Resources Officer  
Eighth District

# Eighth District Area of Responsibility

# Exclusive Economic Zone Enforcement

Fiscal Year	2021	2022	2023	2024
Interdictions	78	87	53	43
Red Snapper (lbs)	14,640	12,524	5,895	10,260

- Comments:
  - Personnel shortages have limited patrol hours and does not mean that there are fewer lanchas within our EEZ
  - Assessing illegal Red Snapper catch is difficult
  - Cutters routinely recover miles of illegal longline each patrol
- 2024 Look Ahead
  - Increasing Cooperation with Mexico
  - Targeted Enforcement Operations

# Domestic Fisheries Enforcement

Fiscal Year	2023	2024
Boardings	609	427
Significant Violations	26	10

- Most Common Violations:
  - Turtle Excluder Devices (TEDs)
  - By-Catch Reduction Devices (BRDs)
- 2024
  - Significant increase in 75/25 violations, specifically in the Houston/Galveston AOR
  - Continue to build partnerships with NOAA and State Law Enforcement agencies

# Marine Protected Resources

Fiscal Year	2023	2024
Requests for Assistance	2	4
Interactions	2	4

- Most Common Interactions:
  - Entangled turtles
  - Whale sightings
- 2024 Look Ahead
  - Conduct outreach to local communities
  - Continue to respond to and coordinate additional resources for MPR sightings/responses
