## **Gulf Council to Meet in New Orleans, Louisiana July 17, 2013**

The Gulf of Mexico Fishery Management Council will meet Wednesday, July 17, 2013, from 7:00 a.m. to 5 p.m. at the Hilton Riverside Hotel, Two Poydras Street, New Orleans, Louisiana.

The purpose of the meeting is to establish the 2013 red snapper quotas and supplemental recreational red snapper season. The Council will also hear public testimony on these issues. Anyone wishing to speak before the Council should complete a public comment card prior to the comment period.

Anyone who cannot attend the public comment session and wishes to submit written comments can do so by [clicking here](#).

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

### **About Gulf of Mexico Fishery Management Council**

The Gulf of Mexico Fishery Management Council is one of eight regional Fishery Management Councils established by the Fishery Conservation and Management Act of 1976. The Council prepares fishery management plans, which are designed to manage fishery resources within the 200-mile limit of the Gulf of Mexico.
