## **Gulf of Mexico Fishery Management Council to Convene its Coastal Migratory Pelagics Advisory Panel**

The Gulf of Mexico Fishery Management Council will convene its Coastal Migratory Pelagics (CMP) Advisory Panel Wednesday, May 15, 2013, from 8:30 am to 4:00 pm. The meeting will be held at the Gulf of Mexico Fishery Management Council office, 2203 N. Lois Avenue, Suite 1100, in Tampa, Florida.

The Panel will discuss CMP Amendments 19 and 20. Amendment 19 addresses sale and permit provisions for Gulf of Mexico Spanish and king mackerel. Amendment 20 addresses season length, transit provisions, allocation, and framework procedures for coastal migratory pelagics. The Panel will provide input to the Gulf Council on preferred actions and alternatives for both amendments.

A copy of the agenda and related materials can be obtained by calling 813-348-1630.

Although other non-emergency issues not on the agenda may come before the Panel for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during this meeting. Actions of the Panel will be restricted to those issues specifically identified in the agenda and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take action to address the emergency.

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aides should be directed to Kathy Pereira at least five working days prior to the meeting.

## **About Gulf of Mexico Fishery Management Council**

The Gulf of Mexico Fishery Management Council is one of eight regional Fishery Management Councils established by the Fishery Conservation and Management Act of 1976. The Council prepares fishery management plans, which are designed to manage fishery resources within the 200-mile limit of the Gulf of Mexico.
