## Gulf of Mexico Fishery Management Council to convene a web-based meeting of its Socioeconomic Panel

The Gulf of Mexico Fishery Management Council will convene its Socioeconomic Panel June 1, 2011, via webinar. The webinar will begin at 10:00 a.m. eastern time and is expected to end no later than noon.

The panel will review the annual catch limit and annual catch target control rules and discuss the generic annual catch limits/accountability measures amendment.

Although other issues not on the agenda may come before the SEP for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal panel action during this meeting. Actions of the SEP will be restricted to those issues specifically identified in the agenda listed as available by this notice.

Copies of the agenda are available and can be obtained by calling the Council office at 813-348-1630. This webinar is accessible to the public, and instructions for listeners to access the web-based meeting will be posted on the Council web site at [www.gulfcouncil.org](http://www.gulfcouncil.org)

The Gulf of Mexico Fishery Management Council is one of eight regional fishery management councils established by the Magnuson-Stevens Fishery Conservation and Management Act of 1976. The Council prepares fishery management plans designed to manage fishery resources in the Exclusive Economic Zone (EEZ) of the U.S. Gulf of Mexico.
